Tiao He Cleanse

Tiao He Cleanse, Chinese Intestinal 15-day nutritional programme is designed to help the body achieve tiao he - balance and harmony. It combines Chinese and Western herbs known to enhance the detoxification process of the colon, kidneys and liver. It supports the cleansing mechanisms of the body by targeting the intestinal and digestive systems.

Benefits:

- Promotes the healthy cleansing of metabolic waste.
- Supports intestinal regularity.
- May improve energy and wellbeing.

CleanStart

CleanStart (Intestinal) helps to protect your body from common colon toxins that affect your overall health. This two-week programme supports natural waste elimination to provide a sense of improved energy and wellbeing. CleanStart is easy to take and is balanced for more complete results. Each programme contains 28 daily drink packets and 28 capsule packets.

Benefits:

- Supports the natural, everyday cleansing of toxic waste from the body.
- Works without posing dangerous side-effects.
- Helps protect the body from disease.
- Convenient for assisting with general detoxification of the colon and liver.

Para-Cleanse

Para-Cleanse (Intestinal) is a 10-day programme designed to support the efforts of the intestinal system in cleansing. This carefully formulated herbal combination supports a healthy gastrointestinal environment for health.

This carefully formulated cleanse with Paw Paw may also help improve digestive and liver health, support immune function and help to soothe the gastrointestinal tract tissue.

Benefits:

- Provides safe natural, gentle, effective nutrients.
- Creates an unfriendly environment for yeast, worms and parasites.
